WHEREAS, Fort Pierce Utilities Authority was created and established by the City Commission of the City of Fort Pierce, Florida, through a referendum election held in said City on May 30, 1972; and

WHEREAS, the Charter of the City of Fort Pierce, Florida, Article XII, grants to said Fort Pierce Utilities Authority the power and duty to fix rates to be charged for gas, electricity, water and wastewater (sanitary sewer), and other utility services sold and services rendered by said Fort Pierce Utilities Authority;

Now, therefore, be it resolved by Fort Pierce Utilities Authority, Fort Pierce, Florida:

SECTION I: The rates for Electric Service furnished from the Fort Pierce Utilities Authority electrical distribution system shall be in accordance with the tariff sheets attached to this Resolution, which shall be submitted to the Public Service Commission.

Such new rates shall be submitted to the FPUA Board for approval and become effective following FPUA Board approval. If in any year the FPUA Board does not apply the price index to the current rates and charges of the electric system, such adjustment shall not carry forward to future years.
