

## Proposed Changes to FPUA Rates

On Tuesday, August 7, 2018, Fort Pierce Utilities Authority (FPUA) will hold a public hearing to discuss proposed changes to utility rates. The meeting will be held at 6:00 p.m. in the City Commission Chambers, 100 North U.S. 1, Fort Pierce, Florida. If the FPUA Board approves the changes, the proposed rates will be presented to the Fort Pierce City Commission for approval at their meeting on Monday, August 20, 2018 at 6:30 pm, also to be held in the City Commission Chambers.

Based on a monthly residential usage equal to the following, the proposed rate changes are as follows:

	Current Rate	Proposed Rate	Increase
Water (6,000 gallons)	\$35.18	\$36.26	\$1.08
Wastewater (6,000 gallons)	\$48.24	\$49.66	\$1.42
Natural Gas (13 ccf, -\$0.10 PGA)	\$30.82	\$31.31	\$0.49

There are no proposed changes to the electric rate.

*Any person seeking to appeal the decision of FPUA as to the foregoing is advised that a record of proceedings is required in any such appeal and that such person may need to insure that a verbatim record of proceedings is made including the testimony and evidence upon which the appeal is to be based.*

**About FPUA:** Fort Pierce Utilities Authority is a municipal utility whose mission is “to provide our customers with economical, reliable and friendly service in a continuous effort to enhance the quality of life in our community.” Fort Pierce is one of more than 2,000 communities in the United States served by a community-owned electric utility, and one of a very few who also provide water, wastewater, natural gas, and Internet services. Public utility systems are owned by the people they serve. All benefits from our locally controlled utility remain right here in the community.
