Project Care

Neighbors Helping Neighbors

What is Project Care?

Businesses, organizations, and people like you from all over FPUA's service area have joined together to assist our neighbors in need through Project Care. Project Care is administered by Mustard Seed Ministries of Fort Pierce and combines emergency relief to aid recipients in paying a past due utility bill, along with education to help avoid financial problems in the future.

Who Does Project Care Help?

Project Care contributions go directly to assist FPUA customers in need. We do not deduct any administrative costs, so your entire donation reaches those in need here in Fort Pierce. Our goal is to assist without creating dependency as applicants must pay a portion of the bill themselves. Project Care does not pay late fees or assist the same household more than once in any twelve-month period.

How Can I Help?

Make a one-time contribution - Just send a check or money order payable to Mustard Seed Ministries with the attached donation card.

Make a set monthly contribution - Return the attached donation card to have your contribution added to your monthly bill.

Make a contribution with your bill - You can make a flat donation in any amount you choose or round your payment up to a whole dollar amount. Your contribution to Project Care helps others build a stronger, more stable financial future. So go ahead, round up your bill to assist those who are in a crisis.

Project Care is administered by Mustard Seed Ministries. Those who receive assistance from Project Care are given counseling and educational tools to enable them to effectively manage their resources.

For more information, call an FPUA Customer Service Representative at 772-466-1600.

Yes, I want to help! (Please Print)
