WHEREAS, Fort Pierce Utilities Authority was created and established by the City Commission of the City of Fort Pierce, Florida, through a referendum election held in said City on May 30, 1972; and

WHEREAS, the Charter of the City of Fort Pierce, Florida, Article XII, grants to said Fort Pierce Utilities Authority the power and duty to fix rates to be charged for gas, electricity, water and wastewater (sanitary sewer), and other utility services sold and services rendered by said Fort Pierce Utilities Authority;

Now, therefore, be it resolved by Fort Pierce Utilities Authority, Fort Pierce, Florida:

SECTION I: The rates for Electric Service furnished from the Fort Pierce Utilities Authority electrical distribution system shall be in accordance with the tariff sheets attached to this Resolution, which shall be submitted to the Public Service Commission.

SECTION II: Upon adoption of this Resolution and approval thereof by the City Commission of the City of Fort Pierce, Florida, the provisions of Section 1 of this Resolution shall be established as an order of Fort Pierce Utilities Authority and all Resolutions of Fort Pierce Utilities Authority inconsistent with this Resolution are hereby repealed.

SECTION III: ANNUAL INDEXING PROVISION: In order to ensure that FPUA utility rates shall be sufficient to pay all operating and maintenance expenses, capital outlay, bond interest and redemption costs, and all other costs of each respective utility operation, the FPUA Board may adjust the monthly rates and charges of the electric system based on the Florida Public Service Commission annual price index without further action by the City Commission of the City of Fort Pierce. Such new rates shall be submitted to the FPUA Board for approval and become effective following FPUA Board approval. If in any year the FPUA Board does not apply the price index to the current rates and charges of the electric system, such adjustment shall not carry forward to future years. The price index shall not be applied to the base power cost.
