

You can help too by rounding up your bill. If you are a Fort Pierce Utilities customer, please consider donating to Project CARE by asking to have your bill rounded up each month. Your contribution can be as little as one cent to 99 cents a month. Those few cents that you contribute each month will go to help a neighbor in need. Your donation is tax deductible as allowed by law.

Project CARE is administered by Mustard Seed Ministries. People who receive the assistance from Project CARE are given counseling and educational tools, so they won't have problems making payments again.

PROJECT CARE

When a neighbor is in trouble, you naturally want to help. But what happens when the crisis is over?

The Program

Businesses, organizations, and people like you from all over the FPUA service area have joined together to help our neighbors in need through Project Care. Project Care, administered by Mustard Seed Ministries of Fort Pierce, combines emergency assistance with education to help recipients pay a past due utility bill now, and avoid continuing financial problems in the future.

Who Does Project Care Help?

Project Care contributions go directly to help FPUA customers in need. We do not deduct any administrative costs, so your entire donation helps neighbors right here in Fort Pierce. Our goal is to help without creating dependence. Applicants must pay a part of the bill themselves. Project Care does not pay late fees or help the same household more than once in any twelve-month period.

How Can You Help?

Make a one-time contribution
