WEATHERIZATION really works!

www.fpua.com

What Measures are Included?

Weatherization services may include:

- Inspection of central HVAC systems.
- If accessible, installation of attic insulation up to R-38.
- If applicable, installation of programmable thermostat for heating and cooling systems.
- Replace broken window panes; caulk exterior windows.
- Replacement of exterior doors to mitigate air intrusion.
- Replacement of incandescent bulbs with LED's (max of 8).
- Installation of water-efficient showerheads and aerators on faucets.

Who is Eligible?

Eligibility is based on home ownership, homestead exemption and household income level guidelines. WEOP applications can be obtained online at www.FPUA.com, www.cityoffortpierce.com, or at the Grants Administration Division at Fort Pierce City Hall. Submit an application today to find out if you qualify for **FREE** weatherization assistance.

What is…WEOP?

WEOP is a Residential Energy Efficiency Program.

The **W**eatherization **E**ducation **O**utreach **P**rogram (WEOP) was started by FPUA in October 2013 and the City of Fort Pierce became a program partner in 2014. Customers who qualify to participate in the WEOP program receive weatherization services **FREE OF CHARGE**. Since its inception, FPUA has weatherized more than 118 homes.

Why Should I Weatherize My Home?

Weatherization increases the comfort of your home and can help lower your utility costs. Of the 118 homes completed through the WEOP program, more than half of the homeowners have had a 22% reduction in their electric consumption and a 28% reduction in water usage. This results in big savings on utility costs!

FPUA
COMMUNITY PROUD

Tired of seasonal energy bills?
Save money and take the surprise out of summer bills with these helpful tips and tools.

Check eligibility requirements and sign up for Budget Billing to get a consistent bill each month. Avoid seasonal high and low bills by paying the same amount each month over a 12-month period. For additional information, visit www.fpua.com or call customer service at 772-466-1600, ext. 3900.

Check out the rebates offered on select energy-saving appliances- like $500 off a high efficiency central air conditioner system. Visit www.fpua.com/ways-to-save/.

FPUA COMMUNITY PROUD

Remember simple things like switching from A/C to fans when you can do so comfortably. Using a portable fan or ceiling fan to circulate air in one room costs less than 10 cents per hour, compared to cooling your entire house with central A/C. It can make a big difference! Explore more ways to save energy and money at www.fpua.com/ways-to-save/.

Hurricane Season 2021

Along with the warm weather of summer, June 1st brings the start of hurricane season. Prepare early and avoid the rush! Replenish expired supplies in your emergency kit and remember to purchase personal protective items. Make sure you have enough supplies to shutter windows and doors. Create an evacuation plan or review and revise your current plan. Now is the time to trim trees and shrubs. Discover additional storm information at www.fpua.com/storm-center/.

SeacoastBank has changed the remittance address for FPUA bill payments. The enclosed envelope has the updated address. Customers who pay through their bank website must update the address to:

Fort Pierce Utilities Authority
c/o Seacoast Bank
PO Box 628221
Orlando, FL 34862-8221

Don't take a chance on your payment being delayed, update the remittance address today!
