FPUA Offers Time-Saving Solutions

Your time is valuable, so why waste it waiting in a long drive-thru line? Take paying your utility bill off your to-do list and save that time by signing up for online bill pay. FPUA's free Online Account Management is a fast, convenient, and paperless way to pay your bill online. You can easily set up your account online by visiting www.fpua.com and select *Manage My Account.* After setting up your online account, you will be ready to view and pay your bill anytime from anywhere. You may also choose to sign up for AutoPay to receive a monthly notification showing the amount of your utility bill, and 20 days after notification, the amount will automatically be deducted from your specified bank or card account.

Other time-saving options include a **24-hour walk-up kiosk** and a **24-hour drive-up kiosk**. The **walk-up kiosk** is located at 206 S. 6th Street on the west side of the building. The entrance to the **drive-up kiosk** is located on 5th Street just north of Boston Avenue. Both kiosk locations accept payment by cash, check, or card. An instructional video showing how to use the new drive-up kiosk can be found on our Facebook page (www.facebook.com/TeamFPUA) or on our website (www.FPUA.com).
