Fort Pierce Utilities Authority

Memorandum

To: FPUA Utility Advisory Committee Members

From: Javier Cisneros, P.E., Director of Utilities

Date: April 18, 2022

Subject: Utility Advisory Committee Introduction to FPUA Agenda

FPUA directors and staff are excited to welcome you to our first FPUA Utility Advisory Committee Introduction to FPUA on Thursday, May 5th, 2022 – a day designed to provide you with a complete overview of FPUA's many utilities, customer service activities, and community engagement efforts.

We ask that you please meet us at the FPUA Energy Services Center (ESC) located at 1701 South 37th Street, Fort Pierce, FL 34947 at 12pm on May 5th. Staff will be waiting to bring you upstairs when you arrive.

The planned agenda for the day is shown below:

- 12:00-1:00 – Introduction to FPUA Presentations and Discussions
  Overview with the Directors
  Utility Advisory Committee Resolution review
  Q&A Session
  (lunch will be provided)
- 1:00-1:15 – Energy Services Center Tour
- 1:15-2:00 – Treasure Coast Energy Center and New Water Reclamation Site
- 2:00-2:30 – Savannah Repump Station
- 2:30-3:00 – Island Water Reclamation Site
- 3:00-3:15 – Manatee Observation & Education Center
- 3:15-3:30 – Administrative and Annex Buildings
- 3:30-4:00 – Water Plant and Water Distribution

Thank you for your commitment to our community and FPUA, and we look forward to seeing you on May 5th.
