FPUA Customer Connections

October 2025

Celebrating the public utilities that keep our communities flowing, connected, and thriving!

From October 5–11, 2025, communities across the country will celebrate *Public Power Week,* recognizing the important role of more than 2,000 community-owned utilities nationwide. Here in Fort Pierce, FPUA is proud to join in the celebration by highlighting the dedicated work of all five of our utilities—**Electric, Water, Natural Gas, Wastewater, and Fiber Internet.**

This year's Public Power Week theme, **"2,000 Utilities. One Purpose."** reflects our collective commitment to delivering reliable, affordable, and sustainable services. We're kicking off the celebration at Fort Pierce Friday Fest on October 3, 2025, from 5:30–8:30 PM at Marina Square. Stop by our booths to meet FPUA team members and learn more about how your hometown utility supports our community.

At FPUA, we're proud to serve Fort Pierce with you at the heart of everything we do. We invite our neighbors to celebrate Public Utility Week alongside us.
